Washington, D.C. 20590

**Pipeline and Hazardous
Materials Safety Administration**

DOT-SP 20636

EXPIRATION DATE: 2018-04-30

(FOR RENEWAL, SEE 49 CFR 107.109)

1. GRANTEE: DPC ENTERPRISES
GLENDALE, AZ
2. PURPOSE AND LIMITATIONS:
 - a. This emergency special permit authorizes the one-time transportation in commerce of a MC331 cargo tank containing chlorine with a suspected leak between the pressure relief valve and the manway, which has been repaired temporarily using a Chlorine Institute Kit "C". This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein. The most recent revision supersedes all previous revisions.
 - b. The safety analyses performed in development of this special permit only considered the hazards and risks associated with transportation in commerce. The safety analyses did not consider the hazards and risks associated with consumer use, use as a component of a transport vehicle or other device, or other uses not associated with transportation in commerce.
3. REGULATORY SYSTEM AFFECTED: 49 CFR Parts 106, 107 and 171-180.
4. REGULATIONS FROM WHICH EXEMPTED: 49 CFR §§ 172.302(c) in that the special permit number need not be marked on the package and 173.3 in that MC331 cargo tanks containing chlorine are authorized to have leaking valves temporarily repaired using Chlorine Institute Kit "C".

5. BASIS: This special permit is based on the application of DPD Enterprises dated April 5, 2018, submitted in accordance with § 107.117 and the determination that it is necessary to protect life and property.
6. HAZARDOUS MATERIALS (49 CFR 172.101):

Hazardous Material Description			
Proper Shipping Name	Hazard Class/ Division	Identification Number	Packing Group
Chlorine	2.3	UN1017	N/A

7. SAFETY CONTROL MEASURES:
- a. PACKAGING - Packaging prescribed is a MC331 cargo tank. The cargo tank must be equipped with a Chlorine Institute Kit "C" to prevent leakage during transportation. The working pressure of the emergency kit must exceed the marked service pressure of the cargo tank.
- b. The marking requirements of 172.302(c) are waived.
- c. Manway cover, and/or other objects which may strike the yoke assembly of the emergency kit during transportation, must be removed or secured during transport.
8. SPECIAL PROVISIONS: Transportation is authorized from:
- a. Fontana, CA to City of Industry, CA for unloading; and
- b. City of Industry, CA to Santa Fe Springs, CA for removal of residue.
9. MODES OF TRANSPORTATION AUTHORIZED: Motor vehicle.
10. MODAL REQUIREMENTS: A current copy of this special permit must be carried aboard each motor vehicle used to transport packages covered by this special permit.

April 11, 2018

11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:
- o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.
 - o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.
 - o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) – "The Hazardous Materials Safety and Security Reauthorization Act of 2005" (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term "exemption" to "special permit" and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of

April 11, 2018

this special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.

Issued in Washington, D.C.:

for William Schoonover
Associate Administrator for Hazardous Materials Safety

Address all inquiries to: Associate Administrator for Hazardous Materials Safety, Pipeline and Hazardous Materials Safety Administration, U.S. Department of Transportation, East Building PHH-30, 1200 New Jersey Avenue, Southeast, Washington, D.C. 20590.

Copies of this special permit may be obtained by accessing the Hazardous Materials Safety Homepage at http://hazmat.dot.gov/sp_app/special_permits/spec_perm_index.htm Photo reproductions and legible reductions of this special permit are permitted. Any alteration of this special permit is prohibited.
